Office/Clean Room Plans Published

Following last week's Heath Planning Commission approval of the Port Authority's plans for a 43,461 sq. ft. office and clean room building, graphics of the building plans were published on the Port Authority Facebook page. The plans are now also out for public bid.

Project Report: Capital Time Ahead

Many of the over \$5.5 million in capital improvements budgeted for 2010 are getting underway. Work on adapting the COATC facilities to the new Heath water tower are now underway and removal of the former east bridge is expected to begin soon.
